Life, time, and environment all leave their marks on us. Every day, our skin faces challenges by UV rays, air pollution, and free radicals, which are visible culprits of early aging. In order to achieve healthier skin, we are committed to providing you with a beverage that improves your skin from the inside out. With the outstanding antioxidant effects of Delphinol®, you will experience your skin gradually improves.

Choose **Kirei+** to let your skin naturally glow with radiance, showcasing an excellent state of inner and outer balance.

## Key Ingredients of Kirei+

1

### Delphinol® Aristotelia Chilensis Berry Standardized Extract (Maqui Berry)

Delphinol® is a standardized extract derived from maqui berries, renowned for its outstanding antioxidant and skincare effects, promoting healthy, smooth, and youthful skin.

2

### L-Cysteine

L-Cysteine plays multiple roles to brighten the skin, from preventing pigment formation to promoting cell renewal and providing antioxidant protection, offering comprehensive care and brightening effects for the skin.

3

### Grape Seed Extract

Grape seed extract is a nutritional supplement extracted from grape seeds, used as an antioxidant to support cardiovascular health, anti-aging, and immune system functions.
