# 3 approaches to the core of beauty

AURAGE - the new generation ageing care that combines the vitality of plants that thrive under extreme environments with wisdom and technology of modern science. Pursue the core of beauty in just 3 approaches.

"3+1" simple steps to moisturised, firm and radiant skin.

## STEP 1

Regain clear skin by removing make-up and impurities

AURAGE Cleansing Plus  
[Make-up Remover and Cleanser] 200ml

## STEP 2

Towards beautiful and supple skin with the dual effects of toner and moisturiser

AURAGE Rich Formula  
[Toner and Moisturiser] 60ml

## STEP 3

Locks in nutrients and keeps skin hydrated

AURAGE Gracious Cream  
[Cream] 30g

Protection against strong ultraviolet rays with high moisture level

AURAGE UV Make-up Base Cream  
[Sunscreen and Make-up base] 30g  
SPF 50+ · PA+++

※ Cleansing Plus does not contain nanofied AC-11, Progeline™ and blended formula of 5 berries. It contains a special formula made up of components such as Lutein (Xanthophyll: skin protecting ingredient), Argan oil (Argania spinose: ingredient that softens skin) and Jojoba oil (Jojoba seed oil: moisturising ingredient).

※1 Uncaria tomentosa extract (skin conditioning agent) ※2 Trifluoroacetyl Tripeptide-2 (firming component) ※3 Skin protecting ingredients: cloudberry (rubus chamaemorus fruit extract), crowberry (empetrum nigrum fruit extract), lingonberry (vaccinium vitis-idaea fruit extract), blackberry (rubus fruticosus leaf extract), bilberry (vaccinium myrtillus leaf extract).
